Quality Jasper, Missouri Service

The Millenium has not arrived, but this is the day of better things. Two things especially that make farming pay.

## The Cream Separator AND The Manure Spreader

are two of the better things that not only lighten the work but actually pay. When we say pay we mean pay for themselves over and above the old way of doing the work.

In the Primrose and Blue Bell separators we can certainly show you two types of machines that are right and that will absolutely always be cared for. In the Newlow Spreader we have the strongest, the easiest draft, the easiest handled spreader on the market. Let us tell you more about it. Ask the man who owns one.

"We want you with us"

Phone 77.

A Life Insurance Policy in the Kansas City Life is better than a savings account in the bank, for it protects your family if you should die, and if you live you get the benefit of it yourself. Better see Bert Webb at once.

The Epworth League gave a splendid concert at the M. E. Church last Thursday night. The talent was all local except one or two vocalists from Carthage. The house was full and every number was applauded.

Rich men think it good business to carry Life Insurance. Poor men should carry Life Insurance because it protects their families in case they should die, and builds up a savings account for their own use during their old age if they live. See Bert Webb.
